Dear David:

Please find attached a copy of the Federal Energy Regulatory Commission's Order on Rehearing related to the proposed Atlantic Coast Pipeline and associated infrastructure (FERC Docket Nos. CP15-554-002, CP15-555-001 and CP15-556-001). It is my understanding that the Commission took judicial notice of this order in open hearing today in the above-referenced dockets. I have copied counsel and Ms. Wheat. Please advise if we need to file this with the Clerk's Office in addition to emailing the document.

Best regards,
